I understand that in signing this Tuition Contract for the coming academic year, I am agreeing to accept the rules and regulations of the School as stated in the Academic Handbook & Conduct Code. I am also agreeing to accept the Delinquent Tuition Policy which states that tuition accounts will be reviewed throughout the year to ensure that obligations are being met. Financial aid for the upcoming school year will not be granted until all student accounts are current. Grades, transcripts and/or schedules will not be released unless an account is current. Seniors will not be allowed to start their final school year due to non-payment of a prior year's tuition until payment arrangements have been agreed upon with the Finance Office to bring their account current. Senior transcripts will also not be released until all accounts are current, which may delay the college application process.

Enrollment, as specified within this Enrollment Contract, may be canceled by the parents or guardians **in written notification** to the Principal, without penalty (except forfeiture of the Enrollment Deposit) **prior to August 1, 2021**. After August 1, 2021, payments of tuition that **exceed** the amount charged on the 11-payment plan at the date of withdrawal will be refunded. **The 11-Payment Plan begins withdrawing EFT payments in July. No grades or transcripts will be released until written notification is received and the account is current.**

This contract shall be interpreted in accordance with the laws of the State of New York. My signature below affirms that I have read, understand and accept the terms and conditions of this contract.
