

Registration

Registration for McQuaid Summer 2021 is done using the online form. Registration is completed only when payment in full has been received. Because of the limits imposed by COVID-19 for social distancing, McQuaid is able to receive registration payments via credit card only. If a student needs to pay by cash or check, he or she should contact Mrs. Sheffer.

Refunds

As budgeting commitments must be made prior to the opening of McQuaid Summer 2021, tuition cannot be refunded once class instruction or coaching has begun.

Attendance

Regular attendance is encouraged for all sessions. Students absent three times for a full credit course are liable to lose academic credit for the course for the summer session and are subject to dismissal without refund. No student is permitted to miss the first or final day of any course offering without written permission from the teacher. No refund will be given for students being removed from their course(s) due to excessive absences or behavioral issues.

Dress Code

Students are required to wear clothing that supports the important learning endeavors to which they are committed. Clothing should reflect personal modesty. Vulgarity, double-entendre, sexual, drug or alcohol references will not be tolerated.

Books and Supplies

Each class will have its own book and supply list. Please contact your teacher for further information.
