Dear Member of the McQuaid Class of 2018,

Greetings from McQuaid Jesuit! As you approach your final semester of college, your plans for next year are no doubt gaining urgency and focus. Indeed, it is amazing that--somehow--nearly four years have slipped by since you and your fellow Knights tailgated outside Seymour Field, cheered on classmates in the Ryan Gymnasium, took a final curtain call in Hogenkamp Auditorium, finished your McQuaid classwork, walked across the Stage of Eastman Theatre, and enjoyed that final Simba cheer on Gibbs Street. If 1800 South Clinton Avenue still feels a bit like home, you may be interested in an opportunity for the 2022-2023 school year: the **McQuaid Alumni Corps (MAC)**. We are looking for some service-minded, energetic candidates willing to share their talents while gaining valuable professional experience at McQuaid Jesuit.

Program Details

The McQuaid Alumni Corps (MAC) is a volunteer program intended for McQuaid alumni who have recently graduated from college. This year there will be two MACs. **The commitment for a MAC volunteer is ten months** during the academic year from August 15 to June 15. MACs will provide volunteer service to the school in any number of capacities: academic support and classroom instruction; communications and alumni relations; advancement events and donor stewardship; immersion programs and Christian service projects; as well as liturgical celebrations and retreats. However, the McQuaid leadership will work with accepted candidates to find a placement that is best suited to their skills and interests. While MAC volunteers will be responsible for their own housing and health insurance, a monthly stipend will be provided to cover living expenses.
