

Dear McQuaid Music Parents,

Welcome to McQuaid and the Music Program, we look forward to meeting and working with your sons.

Summer music lessons are important for continued growth of our young musicians. This summer McQuaid is offering lessons for current students as well as entering students. Mr. Karnisky and Ms. Franca will offer lessons on woodwinds, brass, piano, strings, basic guitar, and percussion.

We are looking at doing a variety of different activities during lessons that would not normally be done during the school year. Some activities may include playing jazz or pop music, or a musical activity that interests our students.

The program will be five weeks, starting the week of June 26th concluding the week of July 25<sup>th</sup>. Make-up lessons will be scheduled at teacher discretion. Lessons will be scheduled in half hour slots. The cost of the program will be \$150 per child. If a student wishes to sign up for lessons longer than a half hour, 45 minutes will be \$225 and one hour will be \$300.

Sincerely,
