CAMPUS MINISTRY

Formation in a Jesuit school refers to the process of learning and embracing Ignatian Spirituality. Common to Jesuits and lay collaborators, formation in Ignatian Identity gives language, meaning, structure and purpose to our lives and the Mission of McQuaid Jesuit.

Formation through Ignatian Identity and Campus Ministry ensures knowledge of and appreciation for the compelling gifts of Ignatian Spirituality and Jesuit Education. All students are invited to participate in retreats, liturgies, service trips, social justice initiatives, and community events. Service is a major focus of every student as each must complete at least 100 hours in order to graduate.

STUDENT LIFE

Students have many opportunities for growth, discernment, and formation outside the classroom through involvement in one of more than 40 co-curricular offerings including MasterMinds, Mock Trial, Speech & Debate, Biodiversity Club, Yearbook, Black Student Union, Mosaic and Pallbearer Ministry.

It is our goal to help students become young gentlemen of competence, conscience, and compassion who take responsibility for their own intellectual, emotional, and spiritual growth in concert with the efforts and support of the faculty, staff, and administration. It is the strength of our school community that empowers each student to be himself while still discovering all the magnificent potential he has

1:1 Technology

McQuaid Jesuit provides each student with an individual iPad in a 1:1 environment to enhance his overall learning experience. This narrows the digital divide between students and promotes responsible use of today's ever-changing technologies.

ATHLETICS

McQuaid Jesuit offers 19 varsity sports and 57 teams overall. Nearly 85% of students participate on one or more athletic teams during their careers. During the 2022-23 academic year, McQuaid varsity teams captured seven sectional titles; football, soccer, cross country, indoor track, alpine skiing, outdoor track, and golf.
