

Dear McQuaid Music Parents,

Welcome to McQuaid and the Music Program, we look forward to meeting and working with your sons.

Summer music lessons are important for the continued growth of our young musicians. This summer McQuaid is offering lessons for current students as well as entering students. Mrs. Goodsell and Ms. Franca will offer lessons on woodwinds, brass, piano, strings, basic guitar, and percussion and Dr. Wallace will be offering voice lessons.

We are looking at doing a variety of different activities during lessons that would not normally be done during the school year. Some activities may include playing jazz or pop music, or a musical activity that interests our students.

The program will be five weeks, Below is the teaching schedules for summer. Make-up lessons will be scheduled at the teacher's discretion. Lessons will be scheduled in half-hour slots. The cost of the program will be \$200 per child. If a student wishes to sign up for lessons longer than a half hour, 45 minutes will be \$275 and one hour will be \$400.

Mrs. Goodsell and Dr. Wallace will be teaching July 8 through August 9,
Ms. Franca will be teaching June 17- July 15

Sincerely,

Megan Goodsell
Woodwinds, Brass, & Piano
