

Our Mission

McQuaid Jesuit is a Catholic, Jesuit, college-preparatory school that inspires young men to realize their God-given gifts through the pursuit of excellence in all things, service to others, and a lifelong commitment to justice.

Our Vision

McQuaid Jesuit is investing in providing an excellent, loving, and formative experience to develop morally based, discerning leaders who positively impact all aspects of their own lives and those of their communities.

Our Values

- Finding God in all Things
- A Life of Learning
- A Spirit of Empathy
- A Call to Leadership
- An Appreciation of Diversity

Strategic Direction: Our Pillars

Pillar 1 Enhancing our Mission:

Further weaving Ignatian values into every aspect of McQuaid Jesuit as our mission is our differentiator.

Pillar 2 Strengthening our School:

Broaden and deepen the McQuaid Jesuit experience for all stakeholders in a wide range of areas.

Pillar 3 Engaging our Community:

Invite all qualified boys to McQuaid Jesuit who want to be formed into great young men. We want our parents and alumni to feel they are part of our family even more. And we will be going out to partner with organizations that can help our young men grow, including places for them to serve.

Key Performance Indicators

- Receive an “Excellent” approval rating in the Jesuit sponsorship review.
- Increase our endowment so that we can welcome and serve as many qualified students as possible to join our community, regardless of their financial challenges.
- Increase our enrollment by FY29.
- Increase our enrollment and retention.

Keys to Success

- Collaborative development, buy-in, and aligned focus from all of our stakeholders.
- Diligent execution by meeting all commitments.
- Monitor and track progress by holding each other accountable.

Mission and Ministry

To capitalize on our strategic differentiator of Mission and Ministry, the entire school must be engaged and aligned. Formation best practices and behaviors must be consistently engaged in by all, including retreats, liturgies, social justice initiatives, and service immersion trips.

- Implement an extended Ignatian Formation curriculum for faculty and staff.
- Student Experiences:
 - Increase service immersion participation to 50% of the graduating class.
 - Increase Kairos retreat participation rate to 100% and Emmaus participation rate to 75%.

Excellence in Academics

Augment our core strengths of liberal arts and expand into other areas to prepare our students to engage in our rapidly changing world.

- College Preparation. Increase the number of AP courses and dual credit opportunities in partnership with universities.
- Expand and develop grades 6th through 12th curriculum, experiential, and internships opportunities in business, leadership, and STEM endeavors, with particular foci of robotics and Artificial Intelligence.

Resources

Our ability to attract and retain the best students—and faculty and staff—depends on our ability to support McQuaid Jesuit's Mission. The grounding of excellence in our Mission extends to our endowment for scholarships and to fundraising for the whole student experience.

- Develop and share a menu for donors that includes scholarship opportunities, as well as student experience opportunities such as refining the moving artistic encounters in the auditorium, augmenting the exciting athletic experience, and enhancing our invigorating academic flourishing in a rapidly changing world.
- Continue to develop and implement processes to support and enhance our colleagues' experience as well as personal and professional growth.
