## Principles of Need Analysis

- To the extent they are able, parents have **primary responsibility** to pay for their dependent children's education.
- Students also have a responsibility to contribute to their educational costs.
- Families should be evaluated in their present financial condition.
- A family's ability to pay for educational costs must be evaluated in an equitable and consistent manner, recognizing that special circumstances can and do affect its ability to pay.

4

---

---

---

---

---

---

---

## Free Application for Federal Student Aid (FAFSA)

- Family's personal and financial information required to perform need analysis is collected on FAFSA
- FAFSA on the Web <https://studentaid.gov/h/apply-for-aid/fafsa>
  - FSA ID – username and password
  - FAFSA form
  - Can print a worksheet prior to filing

## Online FAFSA

Get Money To Help Pay for School

Use the Free Application for Federal Student Aid (FAFSA) form to apply for financial aid for college, career school, or graduate school.

2027-28 FAFSA is Available

Check FAFSA Deadlines for the State You Live In

Some states and schools use information from the FAFSA form to determine your eligibility for their grants, scholarships, and loans. Check your state's deadline here!

Missing a state deadline doesn't impact your eligibility for federal student aid, so fill out your FAFSA form even if your state deadline has passed.

# The Financial Aid Application Process

## Myths & Misconceptions

- Saving for a college education will hurt you in the long run
- Families are expected to drain their assets
- Outside scholarships will automatically reduce the family contribution

40

40

---

---

---

---

---

---

---

## Benefits of Early Planning & Saving

- Student has all educational options open regardless of college costs
- If the student is eligible for financial aid, parent's savings are not counted dollar for dollar (only approximately 4-6%)
- Student may have to borrow less
- Spreading out the cost of college will lessen the impact on your lifestyle during the years you pay for college

41

41

---

---

---

---

---

---

---

## Other Financing Options

- Federal Parent Loan for Undergraduate Students (FPLUS) – 9.07% fixed rate, repayable over ten years
- Interest Free Payment Plans - interest free, small enrollment fee, spreads payment over 10-12 months
- Other Alternative Loan - in student's name, credit-worthy co-signer required, interest based on credit score, 10-15 year repayment

42

42

---

---

---

---

---

---

---

# The Financial Aid Application Process

## Federal Parent PLUS Changes

  - Aggregate loan limit: \$65,000 per dependent student
- Legacy borrowers may borrow at previous loan limits for the shorter of:
  - 3 academic years; or
  - Time for student to complete program

43

43

---

---

---

---

---

---

---

## Things to Remember

- File all required applications on time!!!! Different institutions may have different deadlines.
- Inform the Office of Financial Aid directly if you have special circumstances/concerns.
- Use **ACTUAL 2025 INCOME (for 2027-28) through automatic data exchange.**

44

44

---

---

---

---

---

---

---

## Net Price Calculator

- Authorized in 2008 as part of the Higher Education Opportunity Act (HEOA).
  - Requires that all Federal Title IV Eligible institutions have a NPC on their website.
- Deadline for compliance was October 29, 2011.
- Purpose is to provide the student and family with a tool to estimate the true net cost (COA minus total grant) and compare colleges using institutional specific data and student's individual circumstances.
